

A Message to our IPA Friends

IPA 2012 CANADIAN ROCKY MOUNTAIN TOUR

After the successful tours we hosted in 1997, 1998, 2004 and 2007 we are planning what might be the last IPA tour of this size in the Canadian Rocky Mountains.

Due to recent cancellations, we have approximately 12 seats available on this tour. We look forward to you or some of your members and friends joining us in these seats.

See attached documents.

We also realize that some IPA members like to travel with their friends who are not members of the IPA and to accommodate this we are relaxing the tour application requirements and are allowing you to bring your friends!

After visiting Banff National Park, Waterton National Park, Jasper National Park, Lake Louise, Athabasca Glacier, Calgary, Edmonton and Vancouver, you will have seen the 'Best of Western Canada'.

You will enjoy things never found on a commercial tour such as:
An experienced IPA tour guide - Supper & drinks in a police station.
Banquet in a western fort - Visit to a Police Museum.

You will sleep in a luxury hotel in one of the largest malls in the world - West Edmonton Mall.

In Western Canada we pride ourselves knowing:
There is always heat when it is cold; there is always AC when it is hot;
The hotel rooms are large; the elevators (lifts) are large; the queues are short;
We almost never stop for only one night; two nights in each location is normal.
Your itinerary is so detailed-you are never left wondering what is happening next.

It is not too late.....get one of the last 12 seats on the coach!

Your 2012 tour registrar and guide for this special tour is a long time IPA member. Once you get past all of his goofy jokes you will enjoy the experience he has gained as the chairman for four previous tours and the guide for two of those tours. He was a police officer for 29 years and has been an IPA member since 1980. Although he is a young 55 years old he still looks forward to being part of the best trip of your life!

Our Tour Chairman (did we mention he will also be your guide?) would love to hear from you if you have questions:
